GUEVARA**

I'm Director Alberto Guevara and I'm so happy to be back to be a part of Earl's final year at Good Times! It seems like it was just yesterday in the summer of '98 that I first walked up the steps to OLPH on my first day as a counselor. Since that day, I've been honored and proud to be a part of this wonderful family. Each summer has always been filled with joy and laughter. I can honestly tell you that I never get sick of: the drop slides, Fastpitch Friday, theme days, dodgeball, All-Around the World, half-court shots, our amazing field trips, Great America and just about everything else!

During the offseason, I'm an Instructional Supervisor at Glenbard West High School. I also coach boys' cross country and girls wrestling. In our brief two years of girls wrestling, I'm proud to say that we are really growing as a program.

This past year, one of our girls took 8th! I'm looking forward to growing our program, but first, I'm anxious to get this summer going. Let's give Earl a proper send off and have a great summer!
